		represent the school.	Boys Football - 1 st Girls football - 5 th Netball - 2 nd Summer Olympics - 1 st
Sporting event travel	£719.33	Coach hire to get chn to all sporting events.	
Sports TA's	£3,978.12	Provides additional support for clubs; sensory circuits etc Attending all sports events to encourage chn to achieve their potential.	Chn feel comfortable with someone who knows sports and can give advice in competition. Great role model for development of sportsmanship skills.
Equipment & Resources	£1,968.91	Equipment updated at regular intervals after stock takes end of each term. Play-time equipment separated from curriculum equipment.	Ensured PE lessons were fully resourced increasing chn to participate in a range of sports and increase enjoyment. Play-time equipment has ensured that there is enough equipment for curriculum time

			but this has to be monitored further.
Equipment repairs & maintenance	£1,504.39	Gym mats and fitness trail to be repaired for KS2 to access.	Enable chn to have more choice at play-time and lunch time.
Playground markings	£4,640.00	KS1 - more games and circuit opportunities during outdoor games. KS2 - new court marking for sports and fitness activities for play times.	Chn have more choice at play time and lunch time. League sports and competitions can be accommodated at SV.
Swimming Y6	£1,821.00	Chn to benefit from swimming in a deeper pool to ensure more chn can attain end of ks requirements. Chn to gain confidence to ensure have water safety requirements.	With Y6 going off site we were able to get booster groups for the Y5 chn to ensure that data improves next year and we will be nearer in line to national average gaining end of KS2 attainment.
Total	£18, 251.75		
Balance carried over	£16,624.94 £10,000		

	£6,624.94	<p>To be put aside for extending the gym fitness area.</p> <p>Towards installing a <i>MUGA</i> to allow more sports to be done outside in the winter months.</p>
