Christmas 2017 Newsletter

We have been really busy since half term organising our Christmas fundraising events. The Christmas Fayre was a massive success, supported by so many of you. We were at the Crowland light switch on again this year selling Christmas quizzes and we had our usual raffles at the Foundation/KS1 Christmas Productions. A lot of work goes into these events and we would just like to thank not only parents and members of our community for your generosity but also to our members on FOSV. You are a fantastic bunch, giving your spare time for such a great cause...our children. Thanks!!

Christmas Fayre

Wow!! Well that was another great Christmas Fayre. All the work was well worth it. A big Thank you to Santa for visiting, he loved seeing all the children again and sitting in our magical grotto. Our handmade craft stall was a huge success. Thank you to all those who donated some lovely hand crafted items for this. Thank You so much for all your generous donations for the raffles and cake stall (there were some fantastic festive cakes donated). also for parting with your pennies and supporting FOSV. We also had a few parents and grandparents volunteer help to run stalls and with behind the scenes preparation, which was really appreciated.. From their comments, they had a fun time helping out and getting involved.

Thank You. Great Team Work!

Our total raised this year including the fayre, school play raffles and Crowland light switch on with the quizzes was.....
£2350

That's absolutely fantastic! Thank You so much for you continued support.

A few personal Thank You's

A separate message has been sent out thanking all the generous people and organisations that help make our Christmas events possible but below are a few people we would like to mention.

Massive Thanks to **John Munton** (He knows why!!)

To **MP Autocare** and **City and County** estate agents for sponsoring the fayre

To **Wyevale** for lending the Christmas trees again for our Grotto

To **Mrs Thobani** for the fantastic Henna Tattoos, they looked amazing.

A huge Thank You to **all our super bakers** and most importantly Thank You to **all our fabulous parents**, without you our job would be so much harder. You are all fantastic!

Outdoor Gym

We were so excited to see the outdoor gym being recently erected on the field. It was so lovely to watch the children enjoying it. Hopefully this equipment will last for many years with more added to it over time and many many children getting to use it. Great to see where our hard work and all your generosity goes. FOSV donation towards this equipment was £8000. Thanks for making it possible.

Bags 2 School

Thank you for bringing in your bags full of unwanted items. This is our biggest cheque we have received to date from Bags 2 School

A whopping £200!!

Thank You

We are currently fundraising for.....

Cameras for each class

2 x Lecturns for the stage

Laptop for the hall for children to use for their productions

An outdoor classroom (with sensory garden)

Upcoming Events for 2018

Disco Fri 23rd Feb 2018

Bags 2 School March 2018

Crowland Show Sat 30th June

Mother's & Father's Day stalls

FOSV Car Boot Spring

Help required

If you are interested in joining FOSV you can contact us via Facebook, email or by leaving your details at the school reception. Our next meeting is Wednesday 17th January 2018. Or you may be interested in joining our parent helper list, helping out however you can with events.

Any help really is appreciated.

Don't forget to follow us on
Facebook and twitter.
