Junipers	Joshua and Holly
Poplars	George and Sophia
Elms	Mia and Keira
Laurels	Katie and Ava
Redwoods	Alfie and Nancy
Oaks	Hannah and Finnlay

Welcome

Mrs Holland introduced herself and welcomed the rest of the members. Members then introduced themselves and the class they were representing.

Topic

Discussed the environment and the different things we could do around school to help combat climate change.

Ideas:

- Walking, scootering or biking to school
- Turn off classroom lights, boards and computers when they are not in use – monitors for this
- Recycling the milk bottles
- Make sure everyone is using the recycling bins in school

Actions

- **Think of any more ideas to put in place around school to combat**
- **Arrange a date for school assembly**
